

**Amendments to the Specification:**

Please make the following amendments to the specification (material to be inserted in replacement paragraphs or sections is in underline, and material to be deleted is in ~~strikeout~~).

Please replace the existing lines 14-16 on page 6 with the following:  
"Information such as the above ink weights ~~maybe~~ may be stored in a printer technology attribute category database and may be used to determine both consumables cost, and to estimate the weight of a physical hardcopy of the print job."

Please replace the existing lines 5-7 on page 10 with the following: "If cost predictor 28 receives a user-selected ~~to~~ override of one of the default attributes, at 108, one or more of the default attributes is replaced with the user-selected attribute, changing the hardcopy which is to be produced."
